THE MARKET CLOSED HIGHER

SCALPERS HAD AN INNING IN THE WHEAT PIT.

High Cash Markets in Northwest-Exhaustion of Old Stock and Strength of Liverpool Helped Corn-Oats Higher.

CHICAGO, Nov. 7.-Without statistics of import ance, wheat was in the hands of scalpers to-day and ed at an advance of MSMc. High cash markets in the Northwest helped towards the close. Reported shaustion of old stocks of corn and the strength of Liverpool helped corn, December clusing %615c and May 146 Me over yesterday. Provisions were influenced by high hog prices, closing about unchanged. Outs closed 14874c higher.

changed. Outs closed \$45 % higher.

Liverpool showed but a small advance in view of yesterday's gain here and the opening in wheat was easy and he under last night. December at \$25 and May at \$72 % \$6 The. Scalpers took almost absolute possession of trade and fluctuations were consequently narrow. The trade was very dull, owing largely to the closing of many outside markets on account of elections. Covering by shorts in a small way acted as a support to the price and December advanced early to 60 he. This was lost, however, on profit taking, the price receding to 65% \$65 % for December and to 72% for May, holding for some time to these figures. The best support of the day came from the Northwest. Minneapolis offered an enticing premium for choice wheat. December advanced to 65% \$65 % and May to 73% influenced by the Northwest eash strength, and those were the closing prices. Receipts at primary points were \$1.001,565 bushels. Northwest receipts were \$63 cars, as compared with \$66 last week. Local receipts were \$12 cars, six of contrast grade. Such returns as were received gave wheat clearances of \$24,000 bushels. Corn was firm on moderate amount of trading. The opening was at unchanged prices, with the bull sentiment, aroused Saturday, still prevalent. Shorts evinced a desire to cover their December deliveries, but holders were not inclined to release the covered botton. Liverpool was strong. OF INTEREST TO STOCKMEN. annual Meeting of American Here ford Breeders' Association.

The annual meeting of the American Hereford Cat-November 21, 1899, at 8 o'clock p. m., at the Sher-man house. Arrangements have been made with the railroads for a one and one-third fare for the round trip, and a liberal attendance is desired and ex-pected. This is the first instance of the kind where the railroads have made reduced rates to the breeders' annual meetings, and it is hoped that the members will take full advantage of it. Proxy blanks may be obtained at the secretary's office upon application. Several changes in the constitution and by-laws of the association are contemplated for this meeting, the first of which is to change the name of the or-ganization by leaving out the word "cattle." and making the name read: "American Hereford Breed-ers' Association." rs' Association."

It is proposed to change article 3 of the constitution

Association in manufacturing any renutable breede

It is proposed to change article 3 of the constitution which limits the membership to any reputable breeder or owner of Herefords whose residence is in America, and the initiation fee to \$10, to so read as to permit to membership any owner of registered Hereford cattle, of good character and reputation and recommended by two members, who is an American, upon payment of an initiation fee of \$29. Any member, according to the proposed change, will be suspended from active membership if he fails to register any animals in the American Herd Record for two years or more, and shall stand suspended until he resume registration in good faith.

An individual partner in a firm which is already a An individual partner in a firm which is already a member of the association must pay the regular in-itiation fee of \$20, and any firm whose individual

Important Change of Time

Important Change of Time

On Sunday, November 5, the Chicago & Alton railroad will reduce the running time between Kansas City and Chicago one hour. The "Chicago Limited," which now leaves Kansas City at 6 p. m. will on and after that date leave at 6:15 p. m., reaching Chicago at 8:45 the next morning. West bound, the "Kansas City Limited" will leave Chicago at 6:00 p. m., as it does at present, arriving at Kansas City 8:20 a. m. the next morning.

Dining cars will continue to serve supper and breakfast at both ends of the line on the a la carte plan. These trains now consist of the very latest pattern of chair cars, the most modern Pullman Sleeping cars and very comfortable Dining cars: all united with the full flush vestibule. Altogether they are the finest trains operated between Kansas City and Chicago.
